Crum & Forster
Entry-level opportunity in the management accounting area of an insurance company finance department.
Crum & Forster is a leading national property & casualty insurance company with a large, diversified specialty platform. With deep roots going back to 1822, we are proud of our history and excited about our future. Our most valuable asset is our staff - 2000+ employees, and growing, in locations throughout the United States - committed to delivering customized products with superior customer service. For more information about Crum & Forster, please visit our website: www.cfins.com.

Responsibilities:
- Prepare and input general ledger journal entries.
- Reconciliation and analysis of general ledger accounts.
- Prepare intercompany accounting entries and billings.
- Monthly and ad hoc analysis of operating expense variances and trends.
- Produce management information reports.
- Fixed asset accounting, including transaction input, system operation and reporting.
- Allocate operating expenses to profit centers and affiliates, including maintenance of the cost allocation system, survey updates and month end closings.
- Assist with the annual budget formulation process.
- Develop and maintain personal computer applications.
- Special projects.

Requirements:
- Bachelor’s degree in accounting or finance, or equivalent.
- Recent college graduate or up to two years related work experience.
- Strong technology aptitude, including intermediate to advanced Excel skills.
- Excellent communication and presentation ability, including verbal and written.
- Ability to meet tight deadlines on a monthly basis.
